Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3 1/2-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

One Thing is Cheap

The cheapest thing today is money. It is true that loans are curbed and the use of funds costs more, but a load of grain, a weeks work or an acre of land will buy more money this year than for a long time.

So now is the time to save so you can invest or so you can buy more later on when dollars are dear.

THE ROY TRUST & SAVINGS BANK

The Spanish American is in receipt of a dandy letter from T. R. Pint and family who are now located at Gilbertville, Iowa. Mr. Pint is the Tonsorial Artist of Gilbertville, and is doing nicely. It was easy to read between lines that Tom still has a hankering for New Mexico, and we would't be surprised to see them back by spring.

A state-wide Stock Judging Contest will be held at State College October 30. From this contest, winners will be determined who will represent the State of New Mexico in the Non-Collegiate Stock Judging Contest to be held in connection with the International Stock Show in Chicago, November 25 to December 4. The New Mexico Cattle and Horse Growers' Association has very generously contributed \$300 towards the expenses of the winning team and subsistence will be provided all contestants while in Chicago. The Boys' and Girls' Clubs, Vocational High Schools, Rural Consolidated Schools and Agricultural High Schools will be eligible. At the time of the State Contest to determine a team to go to the International, a contest will also be held to which only Boys' and Girls' Clubs will be eligible and a team will be selected, composed of the three highest scoring individuals to represent the state club work at the Western Stock Show, to be held in Denver next January. A girls' demonstration team will also be chosen on the above mentioned date at State College, to represent the State Girls' Demonstration work at the Denver Stock Show. Transportation and expenses for the winning teams will be provided by the Rules governing the above contest have been sent to all high schools and club workers in the state, as well as to all who might be interested in the contest. Great interest has already been manifested and the event promises to be well attended. Western Stock Show Association.

THESE UNITED STATES

(From The Beater.)

Do you know that the United States has only 6 per cent of the population of the world and only 7 per cent of the land? And yet we produce:

20 per cent of the world's supply of gold.

25 per cent of the world's supply of wheat.

40 per cent of the world's supply of iron and steel.

40 per cent of the world's supply of lead.

40 per cent of the world's supply of silver.

50 per cent of the world's supply of zinc.

52 per cent of the world's supply of coal.

60 per cent of the world's supply of cotton.

50 per cent of the world's supply of copper.

60 per cent of the world's supply of aluminum.

66 per cent of the world's supply of oil.

75 per cent of the world's supply of corn.

85 per cent of the world's supply of automobiles.

We also refine 80 per cent of the copper and operate 40 per cent of the world's railroads.

Little Bobby Brashears had the misfortune to fall from a horse Tuesday afternoon and broke both bones of his forearm. Dr. Self was called and it was decided to take him to Dawson to have an xray photo taken of the fracture. He was taken to Dawson Wednesday on the Polly and and at present is reported doing nicely.
